# HOP-ON

## Itinerary:

- 09:00 to Goegap (up to 40% of the world's 10 000 succulent species can be found in Namaqualand. Possible sightings range from Fona and flora like Succulent gardens, Quiver trees, Halfmens, Springbok, Oryx and mountain Zebra.)

- 10:00 leave for the Majestic Quiver tree forest 1 hour's drive into the Kamies-Mountains.

- 12:00 arrive at the still nomadic farmers herders post and visit a traditional hut. (make your own "roosterkoek" in the cooking shelter on an open fire. A real experience of how the modern-day San/Bushman lives).

# HOP-ON

- 13:00 1<sup>st</sup> proper toilet break at the local school. (Where we also get to meet some the local kids and interact with them, if in school)
- 13:30 light lunch at a commercial sheep farmers house to experience traditional “boerekos”. (estimated @ R200/person max)

*Or picnic at the viewpoint (pre-arranged)*

- Watching flowers all the way and visiting the NAMAQUA National Park for more Flowers (if in season Aug/Sept)

- @17:00 arrive at the Historic Okiep Country Hotel\*\*\*for 1/2-hour history and mining tour (optional& free of charge). (Simon van der Stel,copper and fool’s gold, Beam Pump, Smokestack,Mine and Anglo Boer War) afterwards ordering and enjoying a proper meal and an appropriate beverage.
